

# AN IN-DEPTH REVIEW OF JASPER COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL ELECTION

For Jasper County's ballot reconciliation worksheets from the November 2022 General Election, 86% were completed, and 14% were partially completed while 93% were reconciled, and 7% were not reconciled. Issues found on its worksheets involve partial completion due to the lack of a requirement from the State Election Commission to complete all fields, even if zero, and not accounting for unused hand-marked paper ballots. Adequately completing and reconciling the ballot reconciliation worksheets for each polling location may give greater assurance that the results include all valid ballots cast.
